

Dear Aqib Habib,

This letter is a formal recognition of the time you have spent as a member of IMechE NUST Student Chapter. You have dedicated your time and energy to this society and put in countless effort for its success.

You have been a valued member of our fraternity and we would like to express our gratitude for your dedication to the IMechE family. IMechE strives to provide an unforgettable and valuable experience for the students at NUST as we not only organize different events but also focus on student development and we are glad that you have been a part of this journey.

You have served as a member of Technical Team and Logistics. Your work ethic has been admirable and your active participation as well as your insight in the society has always been appreciated.

We would like to wish you the best of luck in all future ventures that you may pursue. Thank you again for your participation in our venture and we would like to express our gratitude for your contributions.

Sincerely,

Muhammad Talha
